

Fiji Ocean Swim 2010

The ultimate swim holiday

Plantation Island in Fiji's beautiful Mamanuca Group provides the perfect setting for Ocean Swimming. Warm clear waters, pristine reefs, colourful tropical fish and coral, all against a backdrop of blue ocean and the jagged peaks of distant islands.

There are two swims on the first competition day (Saturday). The feature event is a 3km out-and-back course along the northern shore of Plantation Island and there is also a 1.5km event. There are overall and age group prizes for both events.

On the Sunday, there will be the Fiji 10 km Ocean Swim, which will follow a clockwise course around Malololailai (Plantation) Island. This event is open to individuals and teams of 5 swimmers and the individual 10km swim will double as the Fiji National Open Water Championships. The 5 x 2km relay runs concurrently with the 10km Individual over a 2km course set off Plantation and Lomani Beaches.

28 October – 02 November 2010
